

# Closet

Deciding what to wear is more fun with a fabulous and functional closet. Custom cabinets with storage shelves and hanging rods organize every shirt, suit, or sweater in your closet. It's all in the details. Custom-built, each closet system is a perfect fit for your space and style.

## Modern luxury

Turn your wardrobe into a personal style gallery designed to keep all of your favorite items on display. Cabinets with crown molding, spacious shoe shelves, a lighted hutch with glass doors, and a central island transform any room into a walk-in wardrobe with the luxurious feeling of an upscale boutique.

Extra touches like a velvet-lined jewelry tray, extendable valet rod for planning outfits, and a built-in hidden hamper make your custom closet as functional as it is beautiful.

Shown in River Rock.

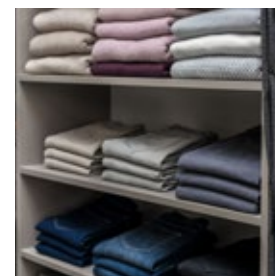

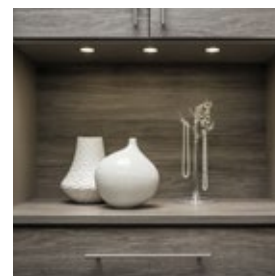

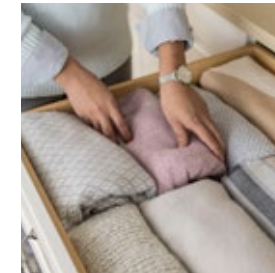

## More than a wardrobe

Turn your wardrobe into a personal style gallery designed to keep all of your favorite items on display. Cabinets with crown molding, spacious shoe shelves, a lighted hutch with glass doors, and a central island transform any room into a walk-in wardrobe with the luxurious feeling of an upscale boutique.

Extra touches like a velvet-lined jewelry tray, extendable valet rod for planning outfits, and a built-in hidden hamper make your custom closet as functional as it is beautiful.

Shown in Morning Mist.

## Signature chic

Keep your closet feeling calm and serene with an elegant combination of solid and woodgrain colors, clean lines, and stylish hardware.

Shoe Shrine® shelves adjust easily to fit each pair of flats, heels and boots, keeping your whole collection visible. Plan the perfect number of shelves, drawers and hanging rods to personalize your space, and add a pull-out belt rack and an extendable valet rod to make getting dressed a pleasure every day.

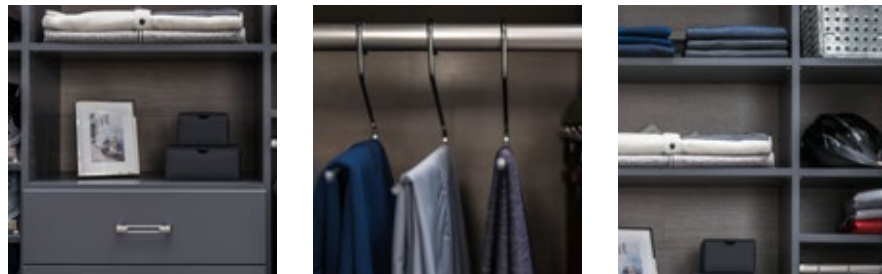

Shown in Fort.

## Bachelor pad

Streamline everyday routines while keeping your room looking polished and neat. With its refined, industrial-inspired style, this custom reach-in closet lets you organize hanging clothes, folded items, and shoes any way you like.

A full suite of hooks, trays and racks keep accessories close at hand to make getting dressed each day more efficient. Slanted shoe shelves with stylish fences display your collection to help you choose the perfect pair for any outfit or activity.

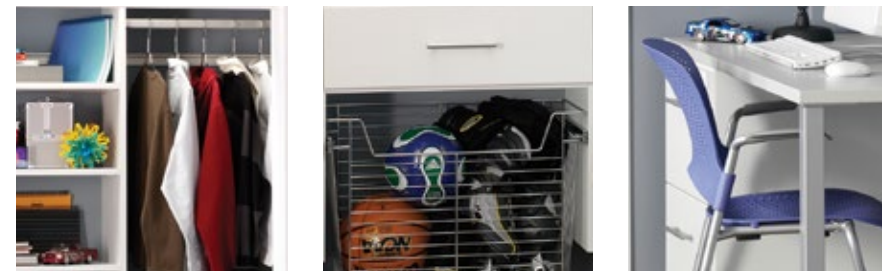

Shown in Blue Stone.

## Room to grow

Get kids organized from wardrobe to work space. A lifetime of creativity starts at this simple desk fit for homework, web-surfing, or artistic endeavors. Hooks, baskets, and racks place prized possessions within sight and reach.

Shown in Arctic White.

# Pantry

A tasteful addition to any kitchen, a pantry organization system will perk up your home and your day. Entertain with elegance and ease with built-in glass and wine racks, hooks to hang linens, and drawers to store servers and silverware.

# Culinary delights

Show off your culinary style with a built-in butler's pantry that uses refined design and sophisticated colors to elevate everyday storage into an inspiring space at the center of your home. Open shelves frame your favorite collections of dishes and cooking tools, while custom cabinets and drawers keep other supplies organized. Little extras like wine and stemware racks, vertical tray dividers, and wire baskets make the room complete.

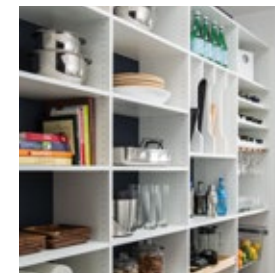

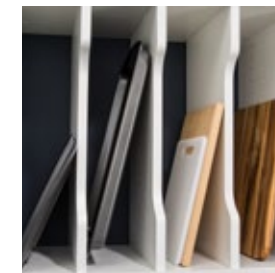

Shown in Timber Grey.

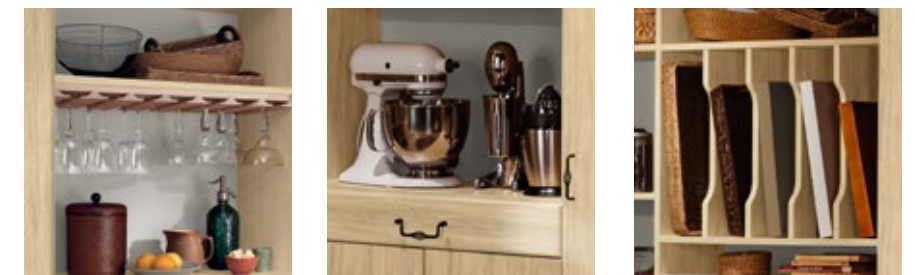

# Gourmet galley

Help your home feel elegant, efficient, and always ready to entertain with a beautifully-designed galley pantry.

There's plenty to satisfy your practical side, with vertical dividers to hold cookie sheets and cutting boards, see-through wire baskets for displaying produce, and deep pull-out drawers just right for storing mixers, blenders, or food processors. Cabinets and drawers keep smaller items contained, maintaining a fresh, clean look that makes the kitchen feel bright and inviting.

Shown in Arctic White.

### Practical Pantry

Practical and pleasing to the eye, a prepped pantry will keep your dry goods in order and clutter at bay. Storage shelves organize cookbooks, and boxed and canned goods, while storage cabinets close to conceal cleaners or large cookware. With an organized kitchen pantry, you see what you have so less food goes to waste which means fewer trips to the supermarket.

Shown in Warm Sand.

## Office

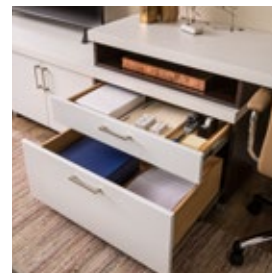

Home office organization helps you manage the details of your busy life. A tailored office desk makes it easy get tasks done while file cabinets keep paperwork in order. Storage cabinets conceal stacks of paper and open shelves keep office supplies within easy reach. With a range of design and finish options, even the hardest working office furniture feels right at home.

## Plug in (or unplug)

Equip your home for work, study, or screen time with a combined media and office storage solution. A combination of open and closed storage, a work surface, and display space bridge the transition from work to home.

Open shelves showcase photos, keepsakes, awards, or other special items. Paper, reference materials, and other office necessities stay concealed behind doors and in drawers to maintain a neat and orderly appearance.

Shown in Arctic White and Seared Brown.

## Murphy Bed

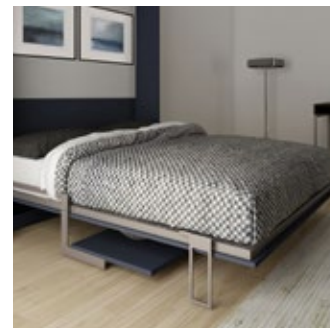

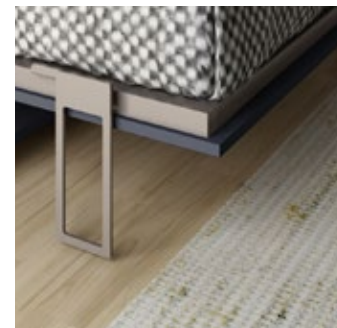

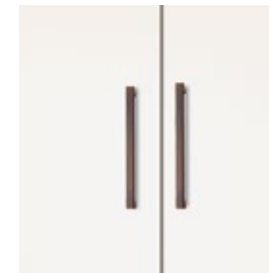

These Murphy Beds were created for the many roles you expect your home to play, letting you transition from a home office or bonus room into a welcoming guest room at a moment's notice. When not in use, Murphy Beds fold up conveniently against the wall, creating an open space for everyday living. The bed stays hidden from view in a surrounding cabinet until it is needed again.

## All tucked in

Hidden neatly behind doors, a Bi-fold Murphy Bed transforms any space into a comfy bedroom at a moment's notice. Doors open wide and fasten into place with locking hinges, giving you easy access to a twin, full, or queen-sized bed. There's even room behind the open doors for additional storage cabinets or shelves, helping you make the most of every inch of available space.

Shown in Arctic White.

## Twice as nice

Combine an office and a bedroom in one single space with a Flip-up Desk Murphy Bed. When you're ready to sleep, just fold down the desk and pull down the cabinet to reveal a twin, full, or queen-sized bed. In the morning, you can stow the bed, lift the desk top, and lock the legs into place to create a useful work area again.

The flip-up desk completes the transition from sleeping space to working space. Add an optional filing drawer to organize current projects or important papers right next to the place you work.

Shown in Navy.

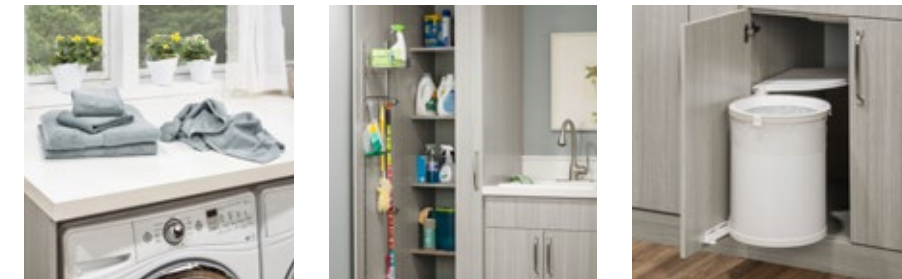

# Laundry

Make the space you sort, fold, and clean more enjoyable with organization. Cabinets in your choice of finish create a serene storage space. Custom design and install your laundry room storage solution to accommodate any space, any size washer and dryer, and any size family.

### Function with fashion

Rich colors, thick Forterra® surfaces, and doors with translucent resin panels make the laundry room a sophisticated part of your home. An ironing board folds out for quick touch-ups, then disappears behind a door when not in use. Pull-out bins and baskets store supplies, and a hidden hamper keeps clothes sorted to streamline the laundry process.

Shown in Ore.

### Wash, dry, wow

Shape a laundry area to accommodate any size washer and dryer—and any size family. With baskets for sorting, cupboards for supplies, and rods for hanging, this space handles loads.

Shown in Timber Grey.

# Entryway

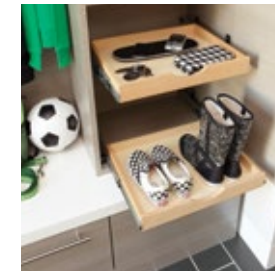

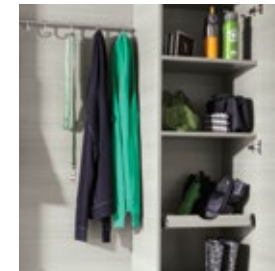

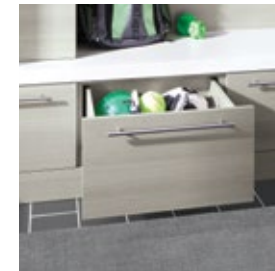

An organized entryway makes coming home the best part of your day. Come and go from your home with hooks, shelves, and drawers that are ready to hold and handle your day's essentials.

### Warm welcome

Coming home has never been sweeter. Be welcomed in with an entryway that has a warm, Natural finish and built-in cubbies to hold shoes, dog supplies, and more. Jackets, hats, and scarves hang within arm's reach on perfectly placed hooks to complete your organized space.

Shown in New Natural.

### Make an entrance

Wall-to-wall storage keeps you organized coming and going. Hang, grab, and stow shoes, sweatshirts, backpacks and equipment you tote here or there. Intuitive hooks, shelves, and drawers keep everyday items in order and out of the house.

This system is divided into three tidy tiers, with cabinets above for seasonal storage. Below the coat hooks, a sturdy Forterra® bench provides a place for pulling on or shedding shoes. Drawers with full-extension glides keep items hidden but easily accessible.

Shown in Timber Grey.

## Handle the hustle

Organized entryways handle the hustle that happens at the door. Contain the clutter of coming and going with product that perfectly fits your space. Tuck away your storage solution in a closet and add an adjustable Shoe Shrine® to keep footwear out of the way.

# Garage

A garage storage system can transform an untidy garage into an organized, efficient and enjoyable space. From simple cabinet storage, and hardworking workbenches, to a decked-out space complete with high-performance garage floor coatings, our home organization options are sure to fit your space, style and budget.

### Practically perfect

An organized and inviting garage is an upgrade worth making. It can have enough storage for your bulkiest bodied items behind durable doors, and slatwall to hold up tools, trinkets and more. Custom-built to fit in must-haves, your garage will be practically perfect.

Shown in Pewter.

### Your garage - organized

Create the perfect entryway into your home complete with a convenient place for shoes, coats, and even the dog leash.

From overhead storage to space saving sliding doors and slatwall, your stuff has never been more organized. By incorporating our slatwall, you will create the perfect space for all those difficult to store outdoor items like your hose, garden rake and anything else that doesn't quite have a place.

Complement your home  
 A custom garage design to complement your home. How? Movable, durable storage racks and baskets that hang on a slat wall for toy and tool storage; mudroom lockers and bench storage that make backpack and shoe storage simple; and passion centers for sports enthusiasts and anyone who enjoys outdoor activities.

Shown in Ore.

### Keep it clean

Closed doors conceal stored items when not in use, giving your garage a clean, tidy appearance around the clock. Clever solutions include sports lockers, a durable butcher block work surface for projects, and even room for a utility sink.

One-inch thick shelves and robust construction stand up to tough conditions, while wall-mounted cabinets keep stored items off the damp floor and allow for easy cleaning underneath.

Shown in Timber Grey.

Home, sweet home  
 Pull into your organized garage and feel the relief of having everything in its place. Discover a whole new way to store your bulk storage items behind closed doors. Utilize open and adjustable shelving to house recycling bins, broken down boxes and more. Having a pristine, clean and functional garage is possible for you.

Shown in Fort.

**A place for everything**  
 Combine stylish cabinets, durable work benches, and a versatile slatwall system to create more storage space than you ever imagined. Deep cabinets with sturdy shelves accommodate large items such as golf gear and seasonal décor, while the doors conceal clutter to keep your garage looking neat and contained. Drawers extend fully on quality glides, offering plenty of room for everything from bulky supplies to hardware and small parts.
